**NEW AND/OR ADDITIONAL FACILITIES AND LOCATIONS**

A. In the event that the Longy School of Music establishes new and/or additional facilities and/or in any way participates in or creates additional programs in new locations outside of the current facilities, current Longy faculty members shall be given preference in filling any work created and in no way shall be penalized for not choosing to fill said work. Additionally, Longy faculty members instructing students at an alternate location, mutually-agreed upon by the instructor and student, will not be penalized or disallowed from doing so. No work currently performed by faculty or that can be performed by faculty will be, in any way, be performed by students, unless otherwise agreed to in writing, by the Union. Regardless of the facility or location, Longy faculty will be employed by the Longy School of Music with all of the terms and benefits of this Contract in force.
